**Permit for ABANDONMENT IN PLACE of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances.**

Permission to abandon in place underground storage tank(s) or piping is hereby granted. Such abandonment must be in complete accordance with acceptable materials as specified in the Federal Register, Part II Environmental Protection Agency, 40 CFR Parts 280 and 281, and also with all sections of 41 Illinois Administrative Code, Parts 174, 175, and 176. The contractor the permit was issued to or an employee of that contractor (this does not include a subcontractor) shall establish a date certain to perform the UST activity by contacting the Office of the State Fire Marshal, Division of Petroleum and Chemical Safety, at which time the UST activity shall be scheduled. **THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.**

(3) **ABANDONMENT IN PLACE OF TANKS:**

- (a) *Number and size tanks being abandoned: (TK # 1, 2) - 12,000*
- (b) *Product stored in each tank: (TK # 1) - Diesel Fuel, (TK # 2) - Gasoline - Regular*
- (c) *Location of tanks being abandoned: Deigan has evaluated the current site conditions and the available cross section of the tank area and determined that due to the proximity to Lake Michigan the tanks should be abandoned in-place. The tanks are built into a jetty in Lake Michigan. We are concerned that by removing the tanks the excavation could flood and/or the structural integrity of the jetty could be compromised. Therefore, we request a permit to abandon the tanks in-place. Photos of the site and the cross section are attached to this letter.*
- (d) *Location of piping being abandoned:*

- (4) This permit is VOID if contamination is revealed during abandonment procedures or if tanks are not as indicated on your granted permit site plan. If contamination is revealed, this abandonment can continue only when the contaminated site section (2) of the certification on site condition has been submitted to our Office.
- (5) **SPECIAL CONTINGENCIES** : NOTE: Soil samples cannot be taken as there is no soil around the tanks, only backfill, as these tanks were installed on a jetty surrounded by water.
- (6) The owner must notify this Office when completion of tank abandonment has occurred, on the Notification for Underground Storage Tank Form. This form can be obtained at [www.sfm.illinois.gov](http://www.sfm.illinois.gov) or by calling (217)785-1020.
