(4) **The owner must notify this Office when completion of tank upgrade/repair has occurred, on the Notification for Underground Storage Tank Form and the licensed contractor must submit the required job schedule for underground piping upgrade, leak detection, spill and overfill prevention to the OSFM prior to the work being performed. Both forms can be obtained at www.state.il.us/osfm or by calling (217)785-1020.**

(5) **SPECIAL CONTINGENCIES: There is no way of knowing how many tanks are still in the ground at this facility and where they are located due to past inadequate record keeping for this facility file. Our past records are confusing and contradictory. The tank I.D.#'s cannot be confirmed for any tanks at this site. Attention to detail was not given for this site in regards to past permits and notification forms; and consequently, the computer information cannot be deemed accurate.**
