Permit for REMOVAL of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances

Permission to remove underground storage tank(s) or piping is hereby granted. Such removal must be in complete accordance with all sections and procedures specified in 41 Illinois Administrative Code Parts 174, 175 and 176. The contractor the permit was issued to shall establish a date certain to perform the UST activity by scheduling the permitted activity through their UST contractor portal account. If the Storage Tank Safety Specialist (STSS) observes evidence of a release, the owner, operator or designated representative of the UST owner/operator must notify the Illinois Emergency Management Agency (IEMA). The incident number shall be given to the STSS prior to his/her leaving the site. After the removal is completed, the owner/operator shall have a site assessment performed by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.

THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.

OWNER OF TANKS - Corporation, partnership, or other business entity: CRD 1539-41 Milwaukee, LLC 225 W. Hubbard, Suite 400 Chicago, IL 60654 Cook County Contact: Michael Slaven 847/612-1161	FACILITY - name and address where tanks are located: f/k/a The Official Shoes are Here 1539-41 N. Milwaukee Ave. Chicago, IL 60622 Cook County Contact: 847/612-1161

Tanks on the Permit

Tank #	Capacity	Product	Last Used Date
1	1,500	Heating Oil	12/31/1973

Summary of Work

Pump remaining liquids from the tank. Vent the tank to remove any combustible vapors. Remove soil from around the tank. Remove the tank from the excavation and place on visqueen sheeting. Create an opening in the side of the tank to allow access for cleaning. Clean the remaining debris from the tank interior. Once inspected, load the tank onto a truck for disposal at a recycling yard. An environmental consultant will be on-site to collect samples from the sidewalls of the excavation to confirm no impacts from the presence of the tank.

Special Contingencies

The owner must notify this Office when completion of tank removal has occurred, on the Notification for Underground Storage Tank Form. This form can be obtained at www.sfm.illinois.gov or by calling (217)785-1020. After removal is completed, the owner/operator shall perform a site assessment by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.
