**Tanks on the Permit For Piping Only**

Tank #	Product	Capacity	Tank Status	Regulated Status
8	Gasoline - Premium	8,000	Currently in use	Federal

**Tank 8 Equipment**

Equipment Type	Permit Equipment	Action
Piping	Shear Valves	New

**Summary of Work**

Due to a collision, we will be replacing the shear valve under dispenser 7/8 and reconnecting the Premium product. I added "new shear valve" because I needed to select equipment to be replacing, even though it instructed me to not add equipment that will only be replaced. I didn't know another option to use.
