Permit for ABANDONMENT-IN-PLACE of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances

Permission to abandon- in- place underground storage tank(s) or piping is hereby granted. Such abandonment must be in complete accordance with acceptable materials as specified in the Federal Register, Part II Environmental Protection Agency, 40 CFR Parts 280 and 281, and also with all sections of 41 Illinois Administrative Code, Parts 174, 175, and 176. The contractor the permit was issued to shall establish a date certain to perform the UST activity by shall establish a date certain to perform the UST activity by scheduling the permitted activity through their UST contractor portal account If the Storage Tank Safety Specialist (STSS) observes evidence of a release, the owner, operator or designated representative of the UST owner/operator must notify the Illinois Emergency Management Agency (IEMA). The incident number shall be given to the STSS prior to his/her leaving the site.

THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.

Tanks on the Permit

Tank #	Capacity	Product	Fill Material	Comments
9	20,000	Diesel Fuel	Inert material mixed with portland cement	

Explanation of Waiver for Abandonment

Tank #9 is located on the north side of the property just east of the boiler plant. This tank has an interstitial breach and has lost its deflection. We are requesting to abandon the tank to give it temporary structural support, and structural support during concrete and backfill removal. There are also (3) in service UST's that are 30' away from tank 9. Tank 9 will then be removed after abandonment and replaced with a new tank.
