Approval Date: 03/31/2025 DS
Permit Expires: 09/30/2025

Permit for REMOVAL of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances

Permission to remove underground storage tank(s) or piping is hereby granted. Such removal must be in complete accordance with all sections and procedures specified in 41 Illinois Administrative Code Parts 174, 175 and 176. The contractor the permit was issued to shall establish a date certain to perform the UST activity by scheduling the permitted activity through their UST contractor portal account. If the Storage Tank Safety Specialist (STSS) observes evidence of a release, the owner, operator or designated representative of the UST owner/operator must notify the Illinois Emergency Management Agency (IEMA). The incident number shall be given to the STSS prior to his/her leaving the site. After the removal is completed, the owner/operator shall have a site assessment performed by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.

THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.

OWNER OF TANKS - Corporation, partnership, or other business entity: Will County Division of Transportation 16841 West Laraway Road Joliet, IL 60433 Will County Contact: John Cairns Jr. 815/727-8476	FACILITY - name and address where tanks are located: Will County Division of Transportation 25930 S Egyptian Trail Monee, IL 60449 Will County Contact: Mike Stubeck 815/727-8476

Tanks on the Permit

Tank #	Capacity	Product	Last Used Date
3	10,000	Diesel Fuel	
4	10,000	Gasoline - Regular	

Summary of Work

We will be removing one 10,000-gallon diesel UST and one 10,000-gallon gasoline UST, along with all associated vent piping, supply piping, one gasoline dispenser and one diesel dispenser. The tanks will be emptied, cleaned, and excavated for removal. Contaminated soil was found and will be excavated and properly disposed of per regulations. Once removal and remediation are complete, the site will be backfilled and restored as needed.

Special Contingencies

The owner must notify this Office when completion of tank removal has occurred, on the Notification for Underground Storage Tank Form. This form can be obtained at www.sfm.illinois.gov or by calling (217)785-1020. After removal is completed, the owner/operator shall perform a site assessment by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.
