Permit for REMOVAL of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances

Permission to remove underground storage tank(s) or piping is hereby granted. Such removal must be in complete accordance with all sections and procedures specified in 41 Illinois Administrative Code Parts 174, 175 and 176. The contractor the permit was issued to shall establish a date certain to perform the UST activity by scheduling the permitted activity through their UST contractor portal account. If the Storage Tank Safety Specialist (STSS) observes evidence of a release, the owner, operator or designated representative of the UST owner/operator must notify the Illinois Emergency Management Agency (IEMA). The incident number shall be given to the STSS prior to his/her leaving the site. After the removal is completed, the owner/operator shall have a site assessment performed by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.

THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.

OWNER OF TANKS - Corporation, partnership, or other business entity: City of Rockford 425 East State Street Rockford, IL 61102 Winnebago County Contact: Robert Wilhelmi 779/348-7425	FACILITY - name and address where tanks are located: City of Rockford 130 N. Madison St. Rockford, IL 61016 Winnebago County Contact: Robert Wilhelmi 779/348-7425
--	---

Tanks on the Permit

Tank #	Capacity	Product	Last Used Date
1	550	Fuel Oil	12/31/1973

Summary of Work

The 550 gallon UST was abandoned in place sometime years ago. Brownfield will excavate to the top of the tank and wait till the Fire Marshal gives approval to proceed. The tank will be removed from the excavation and will be disposed of either at a Subtitle D LF or will be sent to a metal recycler. Fehr-Graham will collect confirmation samples and do all the reporting required by the state.

Special Contingencies

Removing tank and any associated piping

The owner must notify this Office when completion of tank removal has occurred, on the Notification for Underground Storage Tank Form. This form can be obtained at www.sfm.illinois.gov or by calling (217)785-1020. After removal is completed, the owner/operator shall perform a site assessment by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.
