Permit for REMOVAL of Regulated Underground Storage Tank Piping Only

Permission is hereby granted to remove the underground storage tank piping for the tank(s) identified below. All removal activities must be conducted in accordance with all applicable sections of 41 Ill. Adm. Code Parts 174, 175, and 176. The permitted contractor must schedule a date certain for the piping removal through their contractor portal account. If the Storage Tank Safety Specialist (STSS) observes evidence of a release, the owner, operator, or designated representative must notify the Illinois Emergency Management Agency at (800)782-7860. This is to be done at the site immediately following the field determination and the incident number shall be given to the STSS prior to his/her leaving the site. All removals require a site assessment and must be performed in accordance with 35 Ill. Adm. Code 734.210(h)(1) and (2). Samples shall be taken in native soil with the excavation for the removal still open and prior to backfill and with the STSS still on site.

THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.
