Division of Petroleum and Chemical Safety
1035 Stevenson Drive
Springfield, IL 62703
2177851020

FOR OFFICE USE ONLY

Facility # 4001290
Permit # 00306-2017REM
Request Rec'd 03/17/2017
Amended Date
Approval Date 3/20/2017 DS
Permit Expires 9/20/2017

Permit for REMOVAL of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances.

Permission to remove underground storage tank(s) or piping is hereby granted. Such removal shall not commence until the contractor the permit was issued to or an employee of that contractor (this does not include a subcontractor) shall establish a date certain to perform the UST activity by contacting the Office of the State Fire Marshal, Division of Petroleum and Chemical Safety, at which time the UST activity shall be scheduled. **THIS PERMIT IS VALID FOR SIX MONTHS FROM THE APPROVAL DATE.**

<p>(1) <u>OWNER OF TANKS</u> - Corporation, partnership, or other business entity:</p> <p>Sanitary Dist of Decatur 501 Dipper Lane Decatur, IL 62522</p> <p>Contact: Dan Beck (217) 422-6931</p>	<p>(2) <u>FACILITY</u> - name and address where tanks are located:</p> <p>Hickory Point Pump Station 4904 McDonald Avenue Decatur, IL 62526</p> <p>Contact: Dan Beck (217) 433-8391</p>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

(3) **REMOVAL OF TANKS:**

- (a) *Number and size of tanks being removed: (TK # 2) - 550*
- (b) *Description/location of piping being removed:*
- (c) *Product to be stored in each tank: (TK # 2) - Diesel Fuel*
- (d) *Reason of tanks being removed:*
- (e) *If tank(s) is leaking, indicate IEMA incident number:*
- (f) *Date each tank was last used: (TK # 2) - Unknown*

(4) The owner must notify this Office when completion of tank removal has occurred, on the Notification for Underground Storage Tank Form. This form can be obtained at www.sfm.illinois.gov or by calling (217)785-1020. After removal is completed, the owner/operator shall perform a site assessment by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.

(5) **SPECIAL CONTINGENCIES** : The project will begin with Bodine removing all residual product from the tank. The soil above the tank will be removed and stockpiled next to the excavation. The tank will be freed of all potentially explosive vapors and subsequently removed from the ground with a backhoe. Once the tank is removed a 3 foot by 3 foot hole will be cut into the side of the UST. The interior of the tank will be washed clean with a high powered heated pressure washer. All residual product, sludge, and/or rinse water will be vacuumed into a pump truck and transported for disposal. Any underground piping associated with the tank will also be removed. Soil confirmation samples will be collected from the walls and floor of the excavation.

(6) **PERSON, FIRM OR COMPANY PERFORMING WORK:**

Bodine Environmental Service, Inc.
5350 East Firehouse Road
Decatur, IL 62521
