**(4)** The owner must notify this Office when completion of tank removal has occurred, on the Notification for Underground Storage Tank Form. This form can be obtained at [www.sfm.illinois.gov](http://www.sfm.illinois.gov) or by calling (217)785-1020. After removal is completed, the owner/operator shall perform a site assessment by measuring for the presence of a release where contamination is most likely to be present at the UST site. This is in accordance with the Illinois Administrative Code 176.360 (a) regulations and 40 CFR Part 280.72 (a) Federal Register Requirement.

**(5) SPECIAL CONTINGENCIES** : Tanks #2 and #3 were encountered during the on going Ameren MGP site remediation. According to historical site plans and previous site investigations neither Ameren, the consultants, or the site contractors had knowledge of the recently discovered USTs. During the current phase of remediation/soil excavation the USTs in question were discovered. Following the discovery of Tanks #2 and #3 soil excavation activities ceased in the area and will resume once the USTs are removed.
