Facility # 1015018
Permit # 00706-2019UPG
Request Rec'd 04/11/2019
Amended Date
Approval Date 4/11/2019 DS
Permit Expires 10/11/2019

Permit for UPGRADE or REPAIR of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances.

Permission to upgrade or repair underground storage tank(s) or piping is hereby granted. Such upgrade or repair must be in complete accordance with acceptable materials as specified in the Federal Register, Part II Environmental Protection Agency, 40 CFR Parts 280 and 281, and also with all sections of 41 Illinois Administrative Code, Parts 174, 175 and 176. The contractor the permit was issued to or an employee of that contractor (this does not include a subcontractor) shall submit a required job schedule for underground piping upgrade, leak detection, spill and overfill prevention of underground storage tank(s) to the Office of the State Fire Marshal, Division of Petroleum and Chemical Safety.

(5) SPECIAL CONTINGENCIES :

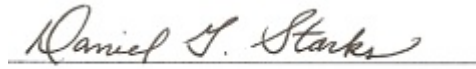

Scope of work: Installation of the Stand Alone System.
Please note that Tank Tech received the customer's payment and signed contract before the customer's 60 day deadline. We had made numerous attempts online to apply for the permit but the tank boxes were not allowing me to proceed forward. All is good now. Please see the attached signed contract. Thank you
