--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Permit for UPGRADE or REPAIR of Underground Storage Tank(s) and Piping for Petroleum and Hazardous Substances.**

Permission to upgrade or repair underground storage tank(s) or piping is hereby granted. Such upgrade or repair must be in complete accordance with acceptable materials as specified in the Federal Register, Part II Environmental Protection Agency, 40 CFR Parts 280 and 281, and also with all sections of 41 Illinois Administrative Code, Parts 174, 175 and 176. The contractor the permit was issued to or an employee of that contractor (this does not include a subcontractor) shall submit a required job schedule for underground piping upgrade, leak detection, spill and overfill prevention of underground storage tank(s) to the Office of the State Fire Marshal, Division of Petroleum and Chemical Safety.

<p><b>(1) OWNER OF TANKS</b> - Corporation, partnership, or other business entity:</p> <p>Agya Gas Stop, Inc. 350 East Morton Avenue Jacksonville, IL 62650</p> <p>Contact: Gary Mann (219) 308-6144</p>	<p><b>(2) FACILITY</b> - name and address where tanks are located:</p> <p>U S Gas 350 E. Morton Avenue Jacksonville, IL 62650</p> <p>Contact: Gary Mann (217) 245-8903</p>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------
