

**Blended Fuel Compatibility Form**

Facility - 2007084

**Facility Name** Speedway #5370  
**Address** 631 North Route 59  
Naperville, IL 60563-2052  
**County** Du Page  
**Contact Name** Vince Head  
**Phone Number** (630) 983-5991

Tank - 10

**Tank Material** Fiberglass Double Wall  
**Tank Capacity** 8,000  
**Tank Product** E85  
**Tank Install Date** 9/22/2015

**Tank Equipment**

| Compatibility Item     | Model/Manufacturer    | Compatibility Method  | Documentation         | Comment |
|------------------------|-----------------------|-----------------------|-----------------------|---------|
| Fiberglass Double Wall | Containment Solutions | Manufacturer Approval | CSI-compatibility.pdf |         |

**Piping Equipment**

| Compatibility Item   | Model/Manufacturer | Compatibility Method  | Documentation                                                | Comment |
|----------------------|--------------------|-----------------------|--------------------------------------------------------------|---------|
| Flexible Double Wall | OPW Geoflex        | Manufacturer Approval | opw-fuel-compatibility-matrix-below-ground-products-2018.pdf |         |

**Containment Sump Equipment**

| Compatibility Item           | Model/Manufacturer  | Compatibility Method  | Documentation                                                | Comment |
|------------------------------|---------------------|-----------------------|--------------------------------------------------------------|---------|
| Single Wall UDC/Sump         | OPW-Flexworks       | Manufacturer Approval | other-equipment-compatibility.pdf                            |         |
| Single Wall STP/Tanktop Sump | OPW-Fiberlite       | Manufacturer Approval | other-equipment-compatibility.pdf                            |         |
| Single Wall UDC Sump         | OPW-Single wall UDC | Manufacturer Approval | opw-fuel-compatibility-matrix-below-ground-products-2018.pdf |         |

**Release Detection Tank Equipment**

| Compatibility Item                                 | Model/Manufacturer     | Compatibility Method  | Documentation                                                                                                | Comment |
|----------------------------------------------------|------------------------|-----------------------|--------------------------------------------------------------------------------------------------------------|---------|
| ATG Probe                                          | Veeder Root/846937-407 | Manufacturer Approval | 577014-449-08_Stainless_Steel_Mag_Plus_In-Tank_Probe_Alternative_Fluids.pdf                                  |         |
| Non-Discriminating Interstitial Monitoring Sensors | Veeder Root-793480-345 | Manufacturer Approval | 577013-750-13_Solid-State_Alternative_Ethanol_Fluid_Interstitial_Sensor_for_Double-Wall_Fiberglass_Tanks.pdf |         |

**Release Detection Piping Equipment**

| Compatibility Item                                                 | Model/Manufacturer     | Compatibility Method  | Documentation                                                       | Comment |

**Spill Prevention Equipment**

| Compatibility Item       | Model/Manufacturer | Compatibility Method  | Documentation                                                | Comment |
|--------------------------|--------------------|-----------------------|--------------------------------------------------------------|---------|
| Double Wall Spill Bucket | OPW-3100 Series    | Manufacturer Approval | opw-fuel-compatibility-matrix-below-ground-products-2018.pdf |         |

#### Overfill Prevention Equipment

| Compatibility Item       | Model/Manufacturer | Compatibility Method  | Documentation                      | Comment |
|--------------------------|--------------------|-----------------------|------------------------------------|---------|
| Overfill Drop Tube Valve | OPW-71SOM          | Manufacturer Approval | 71SO_Overfill_Prevention_Valve.pdf |         |

#### Pump Equipment

| Compatibility Item      | Model/Manufacturer | Compatibility Method  | Documentation                                         | Comment |
|-------------------------|--------------------|-----------------------|-------------------------------------------------------|---------|
| Gilbarco Flex Dispenser | Encore 700S        | Manufacturer Approval | Encore Flex Fuel Dispenser _ Gilbarco Veeder-Root.pdf |         |

#### Gaskets & Seals Equipment

No documentation submitted - Not Required for tanks installed prior to 10/13/2018

#### Joint Dopes & Adhesives Equipment

No documentation submitted - Not Required for tanks installed prior to 10/13/2018
