To whom it may concern:

Regarding biodiesel blends, our Mag Plus probes (0846396-xxx, 0846397-xxx) are compatible up to B100.

Biodiesel blends with a specific gravity above .865 would use our Heavy Oil float kit (0846400-xx7).
Biodiesel blends with a specific gravity below .865 would use our Diesel float kit (0846400-xx1).

Sincerely,

A handwritten signature in black ink, appearing to read "Ben Chase", followed by a horizontal line.
