RE: Fuel Compatibility

This letter is in reference to the following site:

Loves Travel Store #685
1405 Knox County Hwy. 9
Knoxville, IL

Parts and equipment listed are to have been manufactured within calendar year of this letter.

This letter affirms that the list of referenced equipment below is compatible with the following fuels:

E85

Compatible equipment/models:

FMP-ULS, FMP-DIS, FMP-EIS, FMP-LL3-XXX, TSP-LL2-XXX, LS-500 Transducer, LS500E transducer

NOTE: Cable may swell with long term exposure to E85 Fuel or Vapor.

Sincerely

A handwritten signature in blue ink, appearing to read "Loren Swalheim".

Loren Swalheim
Director, Global Technical Services
Franklin Fueling System
