Dear Applicant:

The Reimbursement Eligibility and Deductible Application received on August 10, 2018 for the above referenced occurrence has been reviewed. The following determinations have been made based upon this review.

An owner or operator is eligible to access the Underground Storage Tank Fund if the eligibility requirements are satisfied:

Costs of corrective action or indemnification incurred before providing that notification shall not be eligible for payment.
6. The costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.
7. The costs were associated with "corrective action".
